## COLLEGE CONNECTION PLUS+

Do you want an individualized approach with complete 1:1 planning, strategy, and support? Our new College Connection Plus+ is a fee based program, where the College Connection Director will work 1:1 with families and players to provide a highly personalized plan, approach, and resources. CCP+ includes:

- 1:1 Consulting to ensure the plan and placement match your child
- Video Profile Design to enhance player recruitment portfolio
- Direct College Coach Contact - We contact the coaches you want to play for
- Individualized plan that covers everything needed to get your player into the college that fits them, and support to make sure they are prepared for success once they get there!
