

HOW TO REGISTER YOUR CHILD IN TGS

Step 1. When registering, please be sure to do so using a PC or MAC. TGS is **NOT** tablet or mobile device friendly.

Step 2. If you have not participated in a Santa Barbara Soccer Club program since April 1, 2020, you will need to create a new parent account. Click [Here](#) to create a Parent Account. Parents who have one or more players currently trying out, or registered for a program in the 2020-21 Season will already have an account. Click [Here](#) to access your account. All fees due must be paid in full online and do not include 3% credit card service charge fee.

Note : If you have trouble accessing your account due to invalid email, password, or email already existing , please contact TGS support help. Click [Here](#).

Step 3. Once you have successfully registered as a parent you must add your child. To do so you'd click on the drop down menu located on the left side of the screen - **My Children - Add Child**.

Step 4. To begin registering your child for the desired program, click on **Public Programs** located on the drop down menu on the left side of the screen. Select your child as the desired member. You'll then be redirected to the next screen listing those programs near you. Select the program you will register your child e.g **Santa Barbara SC Recreation League - Summer-Fall 2021**

Step 5. Upon answering the required questions to be filled, you may encounter that not all questions are visible on the page. To locate those "hidden" questions, click anywhere on the screen displaying all the questions and use either your mouse or arrow keys to help scroll down and maneuver the page to allow those questions become visible.

Step 6. Checkout. You will receive confirmation of payment and successful registration.
