

## **ADOPT - A - PLAYER PROGRAM**

Thank you for your interest in “adopting” a Santa Barbara Soccer Club player. While Santa Barbara Soccer Club engages in many fundraising opportunities to provide over \$100,000 a year in scholarships to players with financial need, we still have many players who need someone like you to step up and help them.

Founded in 1991, Santa Barbara Soccer Club is a registered 501(c)3 Non-Profit Organization. Since our small beginning - we have grown into a premier program from recreational and competitive soccer for children aged 4-18. All of our competitive teams train at the top facilities in Santa Barbara and are coached by professional, paid coaches - licensed by U.S. Soccer. This year, Santa Barbara Soccer Club has 690 participants competing on 51 teams at various levels throughout the region. Currently, nearly 30% of our member families are considered “at-risk”, meeting the standards for “Low” or “Very Low” income, according to the Department of Housing & Urban Development guidelines.

Our Adopt-A-Player program provides generous businesses and donors like you the opportunity to directly support a player in our competitive soccer program. Club dues are \$2100 per player - well below the cost of other clubs in our area. Fees help to cover league registration costs, coaching expenses, trainers, field rentals, and equipment. Through our player development model, players not only learn great physical and sports skills, but also build discipline and character traits that they will take with them the rest of their lives. Our club has promoted dozens of kids to college teams, the US National Team, and competitive play overseas. Your sponsorship could very well be the difference between a talented player attending college or not.

We currently have many talented young players whose families are unable to meet the costs of keeping their children playing. These kids need your help. If you would like to sign up to Adopt-A-Player, please fill out the attached short form. Checks can be made to Santa Barbara Soccer Club.

If you would like to learn more about Santa Barbara SC, or have any questions, please feel free to email me or give me a call. You can also visit our website at [www.santabarbarasc.org](http://www.santabarbarasc.org). On behalf of the kids you will be helping, Thank you!

Sincerely,  
Justin Wilkins
