

CENTRAL COAST
ACADEMY
— SOCCER —

Dear Central Coast Academy Girl's Teams 2011 White to 2008 White & 2006 White,

As we enter into the team alignment and evaluation process for the upcoming year, the Central Coast Academy / Santa Barbara Soccer Club Board of Directors wanted to share important changes to the Club membership fees and billing structure.

Having recently completed our 3-year strategic planning process, the Board of Directors, guided by input from directors, coaches, and our general membership, has identified a few core areas that we will focus our energy and resources on: field development, coaching, enhanced training and supplemental programs for our competitive membership.

Member Benefits:

As a reminder of the array of benefits and services provided to your player as a part of membership, please see [click here](#).

In addition to the 2022-23 Member benefits, we are excited to announce the following improved benefits:

- Spring League Team Registration and home game field fees are now included in the member benefits
- Summer Scrimmage series (2011+) and Summer Camp Discounted Enrollment (2017-2012)
- Professionally Managed Travel PLUS Individual Online Travel Booking and Payment Portal
- Increased Goalkeeper training opportunities
- Detailed additional existing member benefits (see attached)

Club Structure:

Central Coast Academy will aim to finalize all younger birth year player invitations and team alignments by March 15, 2023. If your player is selected to a team, you will be sent an invitation via the PlayMetrics App. You will have 5 days to accept your invitation and make your initial payment. Once you make your initial payment, you will need to set up auto-pay for future monthly payments. Payment details can be found in your player invitation email and on the PlayMetrics App at the time of registration.

Club Fees:

Monthly fees will be determined by the team and age group that your player is selected. For general Central Coast Academy teams (excluding Pre-Academy/DPL), the fees will be \$200 per month, over a 12-month period. This equates to less than \$11 per instructional hour. Fees include all membership benefits outlined above. Please see the website for detailed information. Scholarships are available - to submit a scholarship application, please go to the PlayMetrics App and click "Programs". The 2023-24 Scholarship program will be available to all players. Note, all scholarship applications and required documentation must be submitted by March 12, 2023.

We thank you for your continued support of the Club. We look forward to working with your player.

Looking forward to a great year!

Justin Wilkins
Executive Director
